LOST PET RECOVERY SERVICE

For many pet owners, a lost pet is like a lost member of the family and, in our big world, a missing pet can be hard to find. With Pet Assure, you won't get caught off guard. Each cat and dog enrolled in the Pet Assure program can be protected by Pet Assure's 24/7 Lost Pet Recovery Service. The service is available 24 hours a day, seven days a week, and has reunited thousands of lost pets with their families. Registered pets will receive a unique ID tag, laser-inscribed with your pet's ID number, which is linked to the pet's confidential information in Pet Assure's database. When a lost pet is found, the pet finder simply calls the 24/7, toll-free number listed on the tag to report that the missing pet has been found. Pet Assure will immediately begin to call all the provided emergency contacts until you have been reached.
