

WHISKERDOCS

YOU'LL LOVE WHISKERDOCS®

Whether you're worried about strange symptoms, or if your pet ingested something toxic, or you're wondering how to prepare your home for a new puppy, whiskerDocs can help! The team of whiskerDocs telehealth specialists have years of experience in helping pet parents make the best decisions for your pet's health and well-being.

YOU'VE GOT PETS, WHISKERDOCS HAS ANSWERS!

- Health and wellness support for pets of any age
- Avoid unnecessary trips to the Emergency Room – Save money
- Training and socialization tips
- Support around food, diet and exercise
- Access to online library of articles and interactive self-help tools

HOW IT WORKS

You can access the whiskerDocs 24/7 Pet Help Line anytime via phone, email, live chat or mobile. While whiskerDocs cannot diagnose a condition, they're here to provide support to your valuable family member. Simply log in to www.petcare.shop.com and follow the link to whiskerDocs to complete your pet profile. Need immediate assistance? Call (833) 738-7983.

Join the Pet Health Program and get up to four of your pets covered.

At whiskerDocs, your pet is our family, too.
